

Master of Coaching (Kinesiology, Sport, and Recreation)

The Master of Coaching degree is a course-based program which includes a practicum under the supervision of a mentor coach.

Program Requirements

Students enrolled in the MCoach degree program must complete as a minimum, the equivalent of 30 units. Students must successfully complete either [KSR 580](#) or [KSR 581](#) (each 3 units). [KSR 572](#) (6 units) and a capping exercise [KSR 900](#) (6 units). The capping exercise will be a significant piece of scholarly work in the field of coaching. Students are encouraged, but not required to select the remaining 15 units from the following list in consultation with the academic supervisor: [KSR 511](#), KIN 540, [KSR 541](#), [KSR 544](#), [KSR 575](#) or other relevant courses offered under the [KSR 582](#) designation. MCoach students may choose, as optional courses, relevant graduate courses offered by other Faculties. All optional courses must be approved by the academic supervisor.

There is no residency requirement for the MCoach degree program.

MCoach students are required to complete the ethics and academic integrity training requirement (8 hours), and the professional development requirement (8 hours of professional development activities, and the Individual Development Plan).

Length of Program

The time required to complete the program will vary according to factors such as the previous training of the applicant, the availability of courses and the nature of the project undertaken. Normally a minimum of two years is required to complete the program. MCoach candidates must complete all the requirements within six years of the term in which they first register.
